Rave Indoor League Rules and Regulations

Roster limit 10 players.

Registration Information

Individual Player Registration

All teams must have an adult volunteer or coach to play.

Individual players may register and VA Rush will form teams from the registrations at each level. Players register for their level - Recreation, Advanced or Travel (Competitive).

Register as an individual player with VA Rush forming the team from registration.

Organized Teams Registration - Must be registered by the coach.

Coach's registering full teams must complete the following process:

1. Complete the coach/volunteer link below

Coach/Volunteer Link

Coaches must complete the coach/volunteer link before moving to Step 2

2. Step 2 is to complete the Input Team Link. It will require team name information and will conclude by the system providing a team code and a form to enter players names and email addresses to email your players the team code. SAVE the TEAM CODE. The team code is case sensitive. To follow up with players coaches will probably have to remind players to register. **Coaches will be provided an ID and Password to the team database to review their team registrations and print rosters. The players must have the team code to be automatically assigned to the team and instructed to use the player registration links in Step 3a and 3b.**

Click Here to input team information to create the team module and receive team code.

Coaches must complete Step 2 before players may register using the link in Step 3

3. Players registering to a specific team setup by a coach or manager must complete a two step process (3a and 3b).

3a. Register and pay the fees using the link below
