

Team Manager meetings are important in the communication process of the club to all competitive members. The meetings are both educational for the manager in terms of team operations, club policy, roster requirements, and communication within the club. The Team Manager is an important position assisting both the Team Coach and the club. The success of the team and the players takes both the coach and the team manager working together for the success of the players and the club.

#### Team Manager Meeting Schedule Seasonal Year 2014-2015

Team managers must attend one of the three meetings scheduled in July/August and October for the Fall season. The spring season meetings are required for U10 - U14 teams both January and April. The team managers for U15 - U18 are required to attend the April meeting.

All meetings unless otherwise notified are 6:00 pm, Rush Office.
