

### Program Overview

The Virginia Rush Soccer Club is proud to provide a number of programs outside the normal realm of training, competition, and soccer related activities. One of those programs is the College Advisory Program or C.A.P. This program is run by the Director of Player Development and is provided to Academy players on U15 to U18 teams. The program is set up to serve the college bound player in a number of different areas. Starting with the freshman year of high school and continuing through their senior year, this program provides information in such areas as:

- College Preparation
- Admissions Counseling
- College Athletics
- Recruiting
- College Contact Preparation
- ACT/SAT Guide
- College Research Assistance

The C.A.P. is designed to serve the high school age student and provide them with an avenue to ask questions, perform research, and provide feedback for both the academic and athletic aspects of their collegiate career. The Virginia Rush accomplishes this by meeting with each team during their seasonal year to provide:

- information on both academic and athletic endeavors
- review any information that the players may have prepared themselves
- discuss any questions that they players may have
- discuss any questions that the parents may have
