Virginia Rush offers the opportunity for players to visit the United Kingdom and take part in a cultural tour. Tours usually consist of taking in several English Premier League games, training with Premier League Academies, tours of top class stadiums and playing against local competition.

In addition, castles and history are a plenty. Visit the theater, take in the sights, sounds and customs of the natives. If your team is interested in a tour or you wish to join one of our ongoing tours please contact Steve O'Neil at steve@varush.com

The trip of a lifetime is just an email away.
