## Rush Soccer is excited to announce this year's "All Rush" players!

**VIRGINIA BEACH, Va. (June 3, 2014)** - The "All Rush Team - 2013" is a program that recognizes the top senior players from all the Rush clubs around the world.

Sponsored by Soccer.com and Todd Dunivant, one of Rush Soccer's all time Elite players. Each player will be recognized with a certificate and letter from Rush Soccer and Todd.

All players will be recognized on the Rush Website as we build a list of Alumni players as they progress through their soccer careers to emulate and maybe surpass the feats of some of the Rush Alumni greats such as Todd Dunivant, Conor Casey, Bobby Burling, and Jordan Angeli, along with some of the upcoming young pro's in Danni Foxhoven and Lindsey Horan.

Virginia Rush players who received this honor are Gabe Tucker and Taylor Russ. Gabe is off to Mercer College in Georgia this upcoming Fall and Taylor will continue at Old Dominion University.

Congratulations to both of these players on their achievements within Rush soccer and we wish you the best of luck as you further your career in the game.
