I think the coaches are amazing! The care they gave my daughter is excellent and she has grown in confidence.

He smiles from ear to ear from the starting whistle through the end. He LOVES it!

The training environment is high energy with maximum participation.

The program has my son wanting to practice at home!

The School of Excellence Program ([Program at a Glance](#)) is geared for players who want a higher level of soccer instruction between the ages of 5 and 10. Under a nationally-established curriculum and guided by a passionate and committed professional coaching staff, the School of Excellence offers extraordinary player development. The training environment is fun, structured and safe - a place where players can express themselves and learn what soccer has to offer, the Rush Way.
